ABOUT US

Crafting Timeless Natural Stone Since 1992

For over three decades, **J.K. Stone Suppliers** has been a trusted name in the natural stone industry, delivering exceptional quality and craftsmanship to clients across India and around the world. Established in **1992**, we specialize in manufacturing, supplying, and exporting premium natural stone products that combine durability, elegance, and timeless appeal.

Our carefully curated collection includes Sandstone, Limestone, Cobblestones, Wall Cladding, Flooring Stones, Paving, Landscape Stones, Stone Circles, and Custom Architectural Stone Solutions, sourced from the finest quarries and processed with precision to meet international quality standards.

With exports to the USA, Canada, the UK, Europe, Australia, the Middle East, and other global markets, we proudly serve architects, designers, builders, developers, and homeowners seeking distinctive natural stone solutions for residential, commercial, hospitality, and landscape projects.

At **J.K. Stone Suppliers**, every stone reflects our commitment to quality, innovation, and customer satisfaction. From concept to completion, we work closely with our clients to transform architectural visions into enduring masterpieces.

Crafted by nature. Perfected by us.
